

SOUTHEAST ASIA INTERNATIONAL INTERNSHIP

SEPTEMBER 2025 – JULY 2026

Hello ~

My name is Daniel, and I am blessed to share how God has called and led me to be a missionary with SOON Movement Global for the next year, and how you can be a partner on my ministry team to partake in fulfilling the Great Commission!

The Vision

Through my faith journey in college, I've been compelled by Christ to love and care for people, especially those who have yet to know about Christ. Our team of 5 students is trusting God to reach college students in Southeast Asia and build new and lasting friendships, and invite them into Christ-centered communities. I am taking this step of faith because I want others to get to know and experience the love of Christ by simply sharing His love!

Why Southeast Asia?

Southeast Asia is a mainly Buddhist region with a communist government and is one of the most unreached nations in the world, with Evangelical Christians making up only 2.16% of the population. The hearts in SEA are very open and growing right now. Young people are curious about the truth, desperate for love, and hungry for change in their country, societies, and families.

The Partnership

I invite you to partner with me to reach people for Christ. I'm praying for ministry partners who can make a one-time or monthly commitment of \$100 or some other significant amount. Your partnership can make a difference in reaching the lost for Christ.

Currently, I'm raising **\$15,700** one-time and **\$2,100** monthly to cover housing, transportation, language school, living costs, and other ministry expenses.

How You Can Partner
